

## DEBATE LIKE A WORLD CHAMPION – TWO-DAY DEBATING COURSES

Level	Details
<b>Beginner Stream</b>	Learn how to take on your friends in formal British Parliamentary debates! You will be taught how to speak confidently in public, generate arguments and structure them effectively through fun games and exercises, culminating in competitive debates against other students.
<b>Intermediate Stream</b>	Develop your debating skills by learning how to be successful from each of the four positions in British Parliamentary. Through different activities you will learn the various skills and techniques necessary to win from each position and take down the other teams, putting that in to practice through competitive debates at the end of the day.
<b>Advanced I) Analysis Stream</b>	Learn how to leave your judges in awe through your in-depth and nuanced analysis! You will be put through your paces by a world class debater who will teach you how to deliver complex and well thought out arguments for the highest possible impact in debates. You will get to test out your finely developed skills through competitive debates by the end of the day.
<b>Advanced II) Style and Strategy Stream</b>	You will be taught how to engage your audience through learning persuasive devices and how to characterise your arguments. You will take part in activities led by a world class debater that will help you construct and consolidate cast-iron cases to defeat the other teams in debates, putting this to practice at the end of the day.
<b>Advanced III) World Schools Format Stream</b>	You will learn the format used at the World Schools Debating Championships where countries from around the globe battle it out to be crowned World Champions! You will be mentored by a student who has attended WSDC and will be taught the skills and techniques necessary to be selected for your country and be successful on the world stage.
